虱目魚視覺與脂眼瞼組成和功能的初步研究

A Preliminary Study on the Vision of Milkfish (*Chanos chanos*) and the Components and Functions of its
Adipose Eyelid

The seal of Tsinghua University is a circular emblem. It features a five-pointed star in the center, surrounded by a ring of Chinese characters. The outermost ring contains the text "TSINGHUA UNIVERSITY" in English. The seal is rendered in a light purple color and is positioned behind the English title of the thesis.
